This is an event aimed at anyone living in Lancashire (including Blackpool and Blackburn with Darwen) who is concerned about local poverty. We are specifically inviting anyone who is either an existing or potential supporter of Church Action on Poverty and everyone in our Together Lancashire networks. We are hoping this may lead to the formation of a Church Action on Poverty local action group.

The event is free... but we will be asking for donations (suggested £2 - £5 depending on your available resources to cover expenses, light refreshments and the cost of booking the room)...

To ensure your place book you free ticket on EventBrite. <https://povertyinlancashire.eventbrite.co.uk/>
