

HELP!

NOBODY'S LISTENING TO ME

An evening for Christians around Preston to explore together how we can develop listening skills and support ministries

Wednesday 20th July 2011

7pm - 9.30pm

at Fulwood Methodist Church

Watling Street Road, Fulwood, Preston, PR2 8EA

Q. Are you concerned for people who are isolated, lonely or have no-one to listen to them?

Q. Do you find yourself helping people in your church family or neighbourhood as they unload their cares onto you?

Q. Are you wondering if you could improve your own listening skills or if your church could do this pastoral work better?

If so, then this evening is for you!.

Event organised as part of Hope Preston by the listening skills sub-group of Preston Christian Action Network (PCAN) which includes among others representatives of Cedar House Counselling Centre and SEED
